KAMIN REALTY MANAGEMENT LLC

Mission Statement

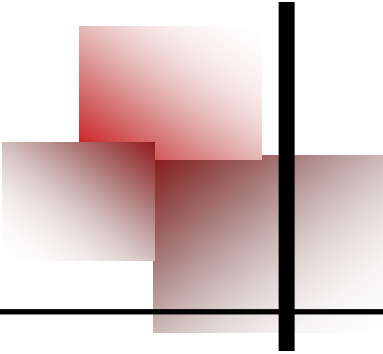

Kamin Realty Management LLC is a national commercial real estate firm active in the acquisition, operation, management, redevelopment and leasing of strip shopping centers and net leased retail properties.

Historical Background

Kamin Realty Company was founded in 1916 by Herman Kamin as a home development business. After many years of residential construction, the company enlarged and began developing and investing in apartment complexes throughout the Pittsburgh, Pennsylvania area. As the business grew, Mr. Kamin recruited the expertise of his son, Harry W. Kamin, to assist him in the future expansion of the company.

Since 1969, grandson, Daniel G. Kamin, current owner and President, has been managing Kamin Realty. Under his direction, the company continued to evolve and has emerged at the forefront of commercial real estate investment.

Today, Kamin Realty, through its affiliate LLCs, ranks as the 38th largest shopping center and net lease retail property owner in the United States. With over 400 properties in 47 states and a gross leasable area of over 16 million square feet, the company continues to grow.
